6. The final acceptance or rejection of the tender will rest with the Chief Engineer of Mysore, who has discretion to accept any tender or reject all offers without assigning any reason.

7. After one of the tenders is accepted, the fact thereof will be intimated to the successful tenderer who will be allowed a maximum time of 15 days to dismantle and remove the materials and the whole contracted amount should be paid in advance before any material can be allowed to be removed, failing which the contract will be cancelled and the earnest money forfeited.

8. In case of any disputes as regards the weights of materials or other reasons, the decision of the Chief Engineer will be final.

N. LAKSHMINARASIMHAIYA,
Executive Engineer.

MYSORE DIVISION.

Notification dated 11th May 1933.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 12 noon on 5th June 1933, for restoring Achammanahalli tank, Krishnarajpete Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1935.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore between the hours of 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 150 in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for Restoring Achammanahalli tank, Krishnarajpete Taluk" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.
